Re: USA v. Limbertos # 19 cr 651 (SHS)

Dear Judge Stein;

I write to request an extension from November 10, to December 10, to draft, research and file Limbertos' PSR objections, and Memorandum, and a new sentence date accordingly. I did not receive the PSR until November 1, 2022, and then only because I double checked the ECF case docket. For reasons unknown to me, and the SDNY ECF Help Desk, I receive all ECF postings, except PSR filings from the SDNY Probation Department. The Help Desk suggested I contact Probation directly, which I have done but I am waiting their response.

Limbertos's PSR is complex in its computations and additions, but I will not need a further continuance.

AUSA Elizabeth Hanft informs me the Government takes no position regarding this application.

Thank you.

Respectfully,

Bernard Alan Seidler
